

土地用途：城镇住宅用地

This is an aerial photograph of a rural landscape. A large, irregularly shaped area in the upper-middle part of the image is outlined with a red line. The text '土地用途：城镇住宅用地' (Land Use: Urban Residential Land) is written in red over this outlined area. The landscape consists of various fields, some of which appear to be planted with crops like corn. To the left of the red-outlined area, there is a paved road with several vehicles parked along its side. Below the road, there are several buildings, including a large one with a blue roof and a smaller one with a yellow roof. The overall scene depicts a transition from rural agriculture to urban development.
